When I Grow Too Old To Dream

```
C             F   C             F
After you've gone life will go on
C              F         C             E7
Life has been beautiful, we have been young
A             D    A             Dm
After you've gone life will go on
C            Dm            C
Like an old song we have sung

==================================================================
C                                G7                   C  C7
When I grow too old to dream, I'll have you to remember
F               C      Am           C          G7          C
When I grow too old to dream, your love will live in my heart

G7             C
So kiss me my sweet
    E7         Am
And so let us part
    F               C      Am          C          G7          C     C7
And when I grow too old to dream that kiss will live in my heart
When I grow too old to dream that kiss will live in my heart
